

HORIZON HOUSE

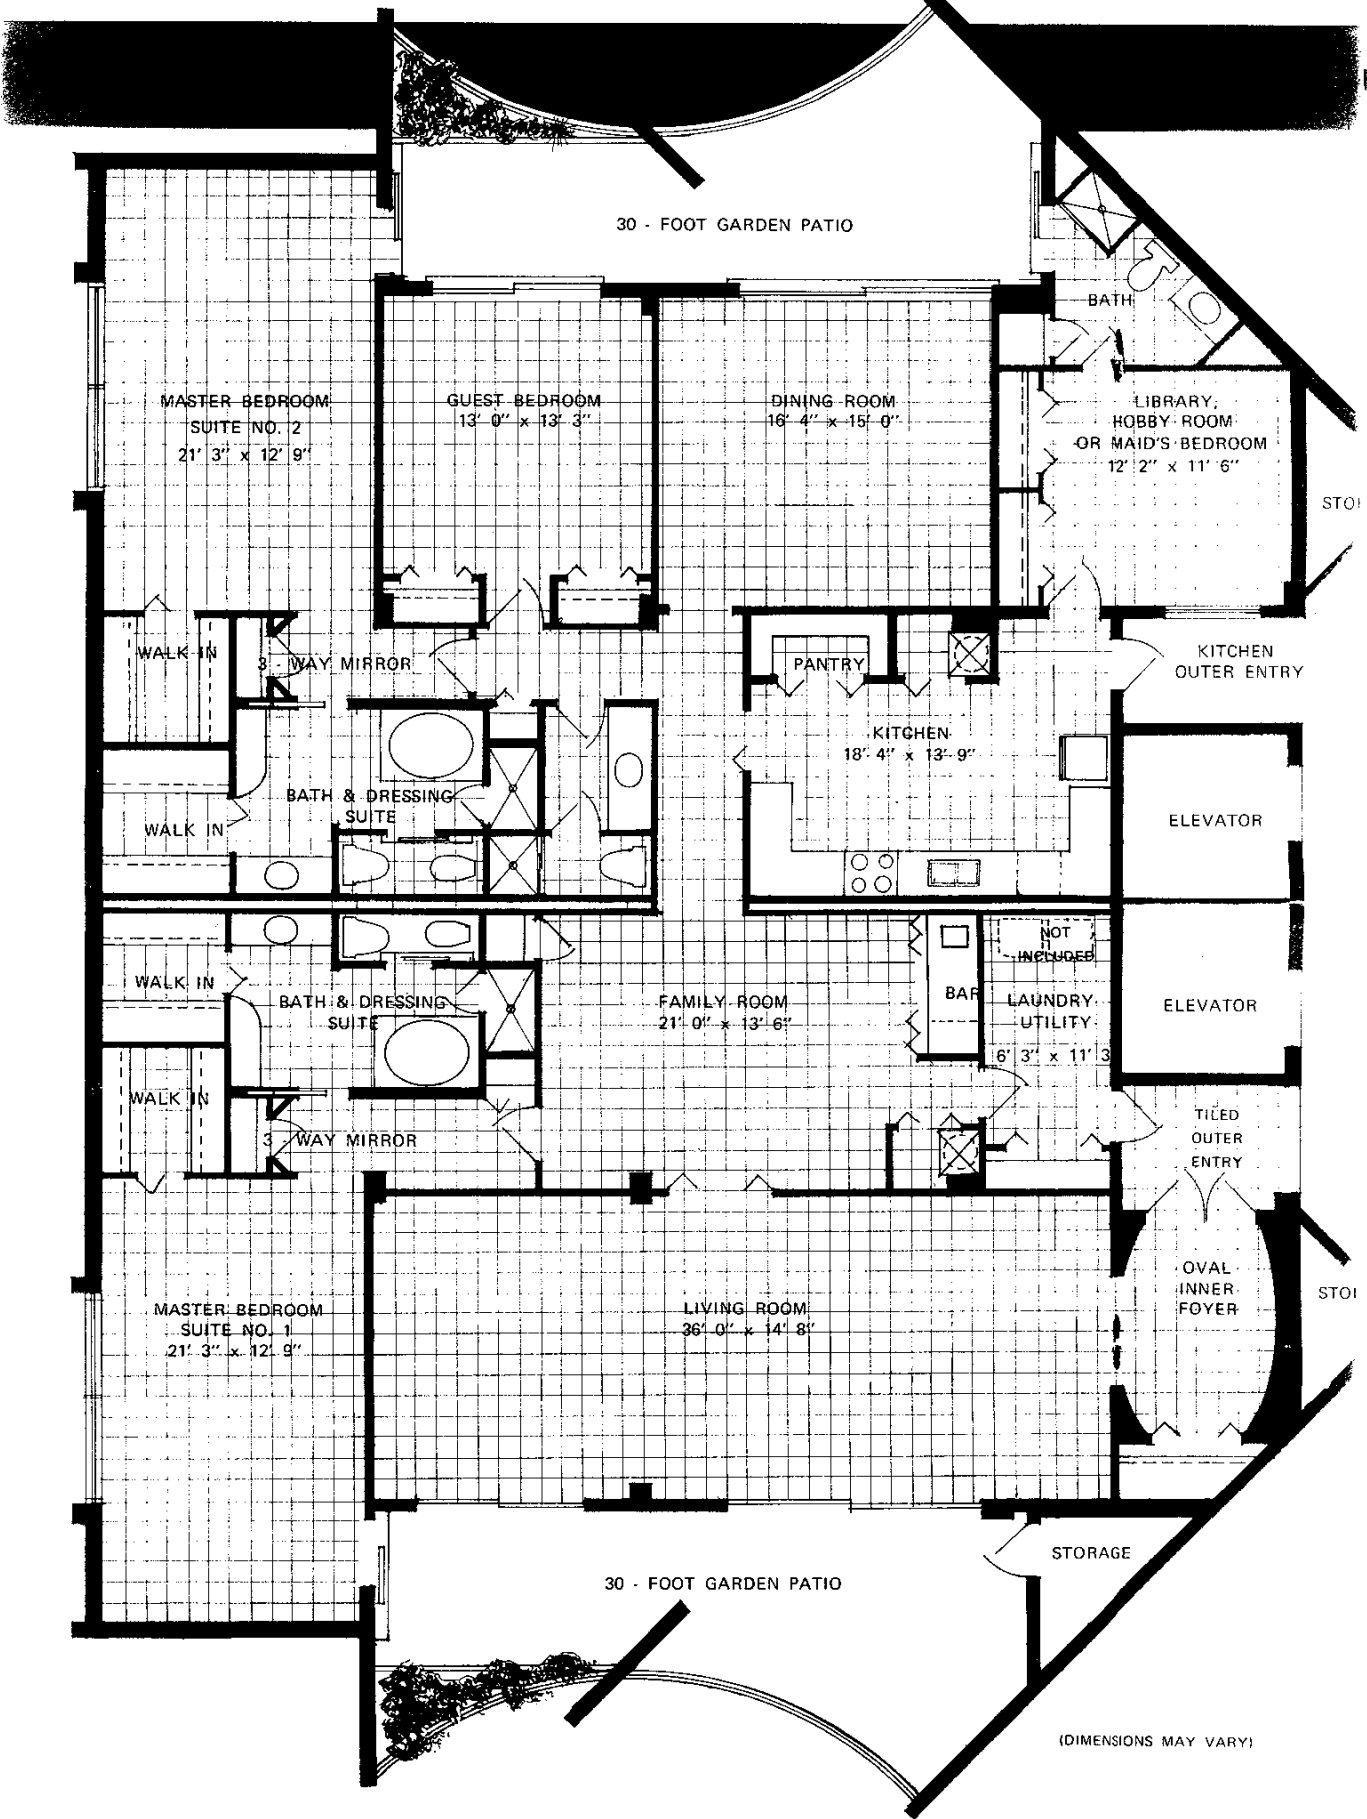

courts to a large inner oval foyer . . . features of this type have been found in only the most luxurious Naples homes
 heretofore . . . then, consider size, 2047 square feet of living and relaxing space and not a single room that is small . . . the
 master bedroom suite measures 21 feet in length plus three closets (two walk-in) plus dressing and bathing suite . . . and a
 separate dining room with inverted tray ceiling.

Horizon House cond.
 of the community fa
 of the property.
